Mr. Kelly Michon  
Apex General Contractors Inc.  
1250 N. Olive St.  
Ventura, CA 93001

Dear Kelly,

Thank you!

I am so grateful for people like you and Apex in Ventura!

I wanted to send you a note to let you know how grateful we are for your contribution of insulation and plywood for Temple Beth Torah's two new "Tiny Houses" at this challenging time, and for you making your community a better place for all. Your gift to Turning Point's River Haven is fully tax deductible and this letter can serve as your receipt.

Because of people like you and companies like yours, Turning Point is celebrating its 30<sup>th</sup> anniversary this year. Thirty years ago Turning Point started with one clubhouse. Because of your continued support, we have grown to 13 programs in 10 locations. Your support has ensured that we could expand our programs for veterans struggling with housing and traumatic stress.

We have an amazing program starting spearheaded by Ventura County Council Member Linda Parks, Growing Works, in Camarillo. It would be great to show you this landscape before we start tilling the soil. Let me know when you are free.

Thank you for shining a light on our work and to helping us address the root causes of homelessness such as mental illness, addiction, domestic violence, poverty, lack of education and employment and having been a foster youth.

With sincere gratitude,

Jason Meek, MPA, LAADC, MCAS, M-RAS
